

REPUBLIC OF BELARUS

Minister of Foreign Affairs

Minsk, April 26, 2017

Your Excellency,

It gives me a great pleasure to extend my congratulations on the occasion of the 20th anniversary of the Organisation for the Prohibition of Chemical Weapons.

The significant achievements that the OPCW has made in the chemical disarmament over these years serve as a good example for the international community in prohibition of the whole class of weapons of mass destruction.

I reaffirm the high importance that Belarus attaches to the effective interaction with the Organisation being confident that the potential of the Belarus-OPCW cooperation is far from being exhausted.

Please, accept, Your Excellency, my heartfelt wishes of good health and every success in your activities on this responsible position, as well as the assurances of my highest consideration.
